

SALOME A. OSUNGA

	Chairman, Chemistry Department Faculty of Pure and Science Department of Chemistry, Kisii University, P.O. Box 408,-40200 Kisii, Kenya Mobile: +254-7221144623 Email: sosunga@kisiiuniversity.ac.ke or osungasally@gmail.com
---	--

EDUCATION

2014- TO DATE	PhD in Organic Chemistry	Kisii University- Kenya
2008	M.Sc. in Organic Chemistry	Egerton University-Kenya
2003	B.Sc. in Chemistry	Egerton University-Kenya

FIELD OF SPECIALIZATION

Organic Chemistry, Chemistry of Natural Products
--

WORK EXPERIENCE

2015	Chairman of Chemistry Department, Kisii University
2013	Assistant Lecturer, Physical Sciences Department, Kisii University
2011	Part –Time Lecturer, Kisii University
2009	Part –Time Lecturer, Rongo constituent college

RESEARCH PROJECT

2014	Screening for naturally occurring antimalarial compounds from traditionally used medicinal plants in Kenya.
-------------	---

RESEARCH INTERESTS

Research on Medicinal Plants using ethno botanical information focusing on isolation and structural determination of the biological activities compounds using spectroscopic techniques. Modification of the biological active compounds and verification of the activity of the modified compounds
