

FIRST YEARS BOOKING FOR SEPTEMBER 2018 INTAKE

The following students who requested for accommodation via SMS, email, phone calls or personal visits to the Kisii University Halls Office have secured accommodation in the University Hostels. All listed students are expected to pay Kshs. 3,500 as accommodation fees to any of the University fees account numbers provided in the admission letters and present bank pay-in-slips at the registration desk on 29.08.2018.

NB: 1. Students whose registration numbers are missing in the list should post their details to the Chief Halls Officer by 27.08.2019 for billing purposes.

2. Those students in this list and who do not wish to take up university accommodation or have secured alternative accommodation are asked to send their names and registration numbers and #NR#2018# to 0726852959 to avoid advance invoicing in their fees accounts.(e.g James Chris ED11/11111/18#NR#2018#).

3. The University **does not accept any MPESA payments**. Kindly do not make such payments to anyone. For those students seeking private accommodation, tent for all private landlords will be pitched at the University Pavilion for consultation and access to private residences.
